We also have flyers... please take some.

- V ADCM report (DaNella K.) Good morning. My name is DaNella. I am an alcoholic and the alternate DCM for District One. So excited that I'm here in person at the area 42 assembly as it was uncertain if I was going to be able to attend. God's plan was for me to be present-so here I am. I've been attending for 6 years now, and my growth in service has been very rewarding. I have been assisting the translation committee with my "poor Spanish skills"; hence anyone can volunteer to help. We are here to be of service, and with that I witnessed in action a great service being done by one of our GSR's. I wanted to take a minute to give a big "Thank You" to Christine P. for her commitment visiting meetings with GSR's not in attendance to our meeting and seeing what can be done to change this. She has really put her heart in this. In closing, it is my privilege and with gratitude to be serving as your Alt. DCM.

Our Chairperson, Joan R., will be giving an in-depth report during the Area 42 Assembly this weekend. The mission of the Southern Area 42 Accessibilities Committee is to remove access barriers that any alcoholic may experience. That includes physical and mental obstacles as well as barriers of culture and language. One of our local projects is the Meetings to Go service for the Southern Area. This service helps match Alcoholics who are physically unable to attend in-person meetings with volunteers from our Meeting To Go service roster. Flyers for this service have been prepared in English and Spanish as we hope to include bilingual volunteers willing to reach our Spanish-speaking members in need of this service. The flyer has a QR code linking to a page on the LV Central Office website where volunteers or requestors information can be collected.
