A.A. history using rare material from the General Service Office Archives.

This inspiring and informative presentation explores A.A.'s early days and growth across the United States and Canada, as well as around the world.

The program includes rare full-color home movie footage of A.A. co-founders Bill W. and Dr. Bob, and their wives, filmed in the early 1940s in the garden at Stepping Stones.

30-Minute Video Presentation followed by a Distinguished Panel: Ruth J., Greg M., Marita M., Jake S., Heather L. and Rhonda W.
