II. Minutes (Kristine C.) – Motion to accept

III. **Treasurer's Report** (Danielle T) - On December 1st we started out with a balance of \$4,862.58. We received contributions totaling \$175.74. My apologies, I forgot to deposit the checks I picked up from the PO Box in December. They will be in the January totals. Our total expenses were \$55.20, leaving us with a balance of \$4,983.12 at the end of the month in the checking account. We took in \$14.00 for the 7th tradition last meeting and paid out \$6.00 in rent. On December 31st the savings account balance was \$2,000.24. Please, please, remind your groups to include an email address when they send in their contributions, this way we save on stamps and envelopes. Also, if you can announce to your groups to add the group name and number when using Zelle to send contributions. If they are making individual contributions, please ask them to note that. I'm happy to answer any questions you might have. Thank you for letting me be of service.

IV. **DCM Report** (DaNella K) - Happy New Year to all! A special thank you to Matt for assisting the district while I was out of state, as well as to the alternates who stepped up at the meeting, your service is truly appreciated. If we have any new GSRs today, please be sure to complete a Group Change Form. These are available from Lou, our Area 42 Alternate Registrar. This is a quick reminder that the SAGSC meeting is today, starting at noon. GSR Orientation will be held in the main meeting room. Thank you to everyone who participated in the Service Festival in December. As we move forward into 2026, I am grateful for our continued ability to be of service to the suffering alcoholic and to reach out in every way that AA has to offer. As District 1 will be hosting the Area Assembly in Tonopah this April, I am seeking volunteers to help ensure this event runs smoothly for all who attend. I will be bringing a sign-up sheet next month with several opportunities to contribute. Please know that I am always available to assist with any questions, concerns, or suggestions. I hope you all have an amazing day. Thank you for allowing me to be of service. In service, DaNella - District 1 DCM

V. **ADCM Report** (Matt K) - Good morning, everyone.

Matthew K., Alternate DCM for District 1. I am grateful to be here and to serve in this capacity. Since our last meeting, District 1 continues to see steady participation across our groups, with consistent attendance and strong engagement in service positions. I have remained available to support group representatives and chairs as needed, and I appreciate the continued cooperation among our trusted servants. I have continued visiting meetings throughout the district, particularly Henderson-area groups, and I am encouraged by the welcoming atmosphere and commitment to carrying the message. Newcomer support remains strong, and multiple groups report healthy sponsorship connections forming. On the district level, planning continues for upcoming service workshops and fellowship activities. These events remain vital opportunities to strengthen unity, educate members on service structure, and support group participation in district and area functions. Further details will be shared as scheduling is finalized. I want to acknowledge the ongoing efforts of our DCM, committee chairs, and group representatives. Their consistent dedication keeps District 1 functioning smoothly and aligned with our Traditions and Concepts. In closing, I remain available to assist wherever needed and look forward to continuing to serve alongside all of you in carrying the message to the still-suffering alcoholic. Thank you for allowing me to serve.

B. **Workshops** (Mike S) - Our next workshop will be held on Sunday, April 26, 2026. It will be held in the Central Office Meeting Room from 12 noon to 2 pm. Doors will open at 11 am through 3 pm for all attendees to enjoy the fellowship, along with the food and refreshments that will be served. The video presentation from AAWS, "Markings on the Journey" will be shown. We'll have a panel share their AA experience as it relates to the video presentation. We are fortunate to have the following members already commit to be guests for our panel. So far, the panel will consist of: Jake S., recent past delegate; Heather L., past Grapevine chairperson and current Archives chairperson; and Greg M., with a long list of AA service positions. We'll have more information on the other panelists in the upcoming months. Thanks to Carol H. for the idea for this workshop and thanks to our good friend, Lou P., who has always volunteered to create and print the beautiful flyers, along with my volunteering him to handle the tech side of this presentation for us!

C. **Archives Liaison** (Alfredo M.) – From Heather L. - On December 18th Pete and I met up with Monique, our newest volunteer, at the Las Vegas Central Office. Monique and I met at the Las Vegas Roundup, where she expressed interest in learning more about the history of AA and Area 42. Pete and I unloaded and organized all the boxes that we had taken to the Las Vegas Roundup. On December 20th Susan, from District 8, and I met virtually. We had a great discussion about group histories. There was some discussion about autonomy in the submission or style that the group history may be written. If you look through many of the group history binders you will find that some are typed, some hand written on lined paper, and most use the group history form, which has changed a few times over the years. Susan may even create another form to encourage more participation, which she will share. However the group shares, we hope it is a reflection of who they are and how they began. Other ways to encourage more submissions might include: allowing groups to share their history at a meeting, a competition (maybe within the district), filling them out as a whole group exercise...what are your thoughts?

New projects I am working on:

- I am currently working on an updated Area Timeline, which is an ongoing process. The current timeline in the Archives extends to the 1970s, so I am updating one to go from the 70s through today. Other side items to this include a concise list of Delegates, alt. Delegates, Archives, and more.
- I am also working on a more organized timeline for the Las Vegas Central Office History (using already collected data).
- There are many organizational projects and special projects coming up in the new years. Just pop in!

Upcoming Events:

- There will be an Archives/5B Workshop on February 2nd. I should have all the details this week and will send out a flier to the group.
- "Voices of Women In AA" will be on 3/26 at Central Office. It will be in conjunction w/ our regular Archives meeting time at the Central Office. More on that later...

Other:

- Great read in this month's Box 4-5-9 (GSO News)
Pages 3-4 talks about our very own former delegate Julie C., who is now a new nontrustee director at GSO

Pages 7-8 talk about the 50 years of GSO Archives and recent renovations.

D. **H & I Liaison** (open position) - No report

E. **Grapevine/La Vina Liaison** (April S) - Good morning everyone, I'm April, your Grapevine rep. The AA Grapevine is our meeting in print and an important tool of recovery. It reaches alcoholics who may be isolated, homebound, hospitalized, or unable to get to meetings, and it helps carry the message far beyond these rooms.

Current issue spotlight:

January's issue is "*Stories for Day Counters*," focused on what helped members most in their earliest days of sobriety—an excellent resource for newcomers and sponsors.

The **Grapevine Podcast** continues weekly, and the **AA Grapevine app** is available on Apple and Android, putting stories and recovery tools right on your phone.

They're also always looking for story submissions—on Sponsorship, Loneliness, Remote Communities, Steps, Traditions, and even jokes.

I really need help spreading the word about how important and how extremely helpful the Grapevine is, so if you're interested in supporting Grapevine at your group or want more info, please reach out to me as soon as possible. Thanks for letting me be of service.

F. **Hotline Liaison** (Open position) – No report

G. **PI** (Carol H) - Our objective is to reach the still suffering alcoholic through publicly facing channels. The phrase "attraction rather than promotion" (T11) refers to self-promotion, not publicity for our fellowship. The FCC no longer requires or allows PSAs for free, so they require payments for our PSAs. Occasionally, the media will air PSAs for free but usually they are approved due to personal connections. We would appreciate help from anyone that has connections in the media. If you do have connections, please reach out to me. We will ensure that your anonymity is protected. As well, the treatment industry has flooded the airwaves and social media with paid ads and personal promotion at a level we can't even hope to match. Last year, 2025, we were able to maximize our impact through a tri-fold flyer design with QR codes and websites in it. This was a significant savings in comparison to when we were distributing Big Books and 12 & 12s to the various facilities. To date, we have distributed more than 5,000 tri-fold flyers and have had thousands of hits on those codes. Assistance is needed to ensure that hospital emergency rooms, libraries, and other facilities remain adequately supplied with the tri-fold materials, in both English and Spanish versions. We are looking for volunteers that live near facilities to do this. All it takes is to stop by every few weeks or so, and to check on them – 10-to-15-minute commitment. We have had ads on Metro Las Vegas area buses since June and anticipate participating in that program again this year albeit at a reduced level due to budget constraints. We also need folks that wish to help with our social media sites. If anyone is interested in taking a small or more involved commitment, we would love to have you join us. In the meantime, if you need anything or have any questions related to Public Information, please do not hesitate to contact me, or John L., Chair of the SAGSC PI Committee.
