II. Minutes (Kristine C.) – Motion to accept

III. **Treasurer's Report** (Danielle T) - Morning all, my name is Danielle, I'm an alcoholic and I'm your treasurer. On February 1<sup>st</sup> we started out with a balance of \$5,700.31. We received contributions totaling \$460.84. We had no expenses in February, leaving us with a balance of \$6,161.15 at the end of the month in the checking account. We currently have \$163.00 in cash on hand. On February 28th the savings account balance was \$2,000.28. I have noticed that contribution checks are coming in written out to District 1 Treasurer, this is incorrect, checks and money orders should be made out to District 1. Please, please, remind your groups to include an email address when they send in their contributions, this way we save on stamps and envelopes. Also, if you can announce to your groups to add the group name when using Zelle to send contributions. If they are making individual contributions, please ask them to notate that. I'm happy to answer any questions you might have. Thank you for letting me be of service.

IV. **DCM Report** (DaNella K) - Hello District 1, Thank you all for your service and your dedication to helping the next suffering alcoholic. It really does matter that you show up and stay available—so thank you. If we have any new GSRs here today, please make sure you complete a Group Change Form. You can get one from Lou, our Area 42 Alternate Registrar. I had the chance to attend PRAASA a few weeks ago, and it was truly an honor. Like always, I came away learning a lot, sharing with others, and seeing new ways we can serve. I purchased the full set of panel presentations, and Ruthie has already transcribed them into a written format for everyone. Lou is working to get these posted on the District One website, and they should be available in the next few days. The Area Assembly in Tonopah is coming up quickly, and registration is now open. You can attend either in person or on Zoom, but GSRs are really encouraged to attend in person—it's a great experience. If you have questions about registration, reach out to Lou, our Area 42 Alternate Registrar. When it comes to funding, your home group should be your first source of support, but if that's not possible, the District and Area can also help. Feel free to reach out to us, and we'll figure it out together. District 1 is also hosting the Area Assembly, and we could really use your help. I have a sign-up sheet available—thank you to everyone who's already volunteered. If you're attending in person, please consider signing up for a task. Some are quick and simple, others take a little more time, but every bit helps. Feel free to reach out if you have questions or want to get involved. After the meeting today, we have the Roundtables, where we'll discuss some of the agenda items that will be presented at the Area Assembly. This is a great opportunity to gather more information to take back to your groups before the assembly. And one last thing—when GSRs give their reports, it would be wonderful if you could share a little more about what's happening in your meetings. Along with the usual details like name, location, attendance, date, and time, let us know about any challenges or upcoming events. If you've got a picnic or something planned this spring, we'd love to hear about it. Thank you for all that you do and for helping carry the message of service forward. Please know that I am always available to assist with any questions, concerns, or suggestions. I hope you all have an amazing day. Thank you for allowing me to be of service.

F. **Hotline Liaison** (Deanna) – No report

G. **PI** (Carol H) - The Public Information Committee is currently seeking members who have connections — or know someone with connections — to any media outlets. This includes television, radio, advertising agencies, movie theaters, or other promotional platforms. Rather than cold-calling media facilities, we are hoping to secure personal introductions or appointments. Our goal is to present who we are and who we are not, what we do and do not do, and to offer short video clips or public service announcements (PSAs). We are exploring opportunities such as:

- Movie theater pre-show spots
- Radio stations
- Local television, i.e., late-night placements
- Other community media outlets

With recent budget cuts, we are working carefully within our means. After reviewing expenses, we made the difficult decision to eliminate bus advertisements. Although we had negotiated a good rate, it was not sustainable long-term. We are focusing more heavily on literature distribution, as pamphlets appear to reach farther and be more cost-effective. Current outreach goals include: Gaining access to the Clark County School District (we may have a potential contact through a school administrator in the coming month). Upcoming goals include distributing pamphlets to:

- Police stations
- Retirement communities
- Urgent care centers

Additionally, we are seeking a volunteer to chair or coordinate our Outreach Committee. This position would include:

- Organizing information tables at local events
- Coordinating community gatherings and outreach efforts
- Collaborating with other PI members
- Visiting districts to explain who we are and what we do.

We welcome any volunteers, connections, or ideas that can help us expand our reach and better carry the message. Our Business meetings are on the fourth Wednesday of every month on zoom 5pm to 6pm. Meeting ID: 829 4421 7170 Passcode: public You can contact me with any further questions at xxx-xxx-xxxx. Thank you for your support and for allowing me to be of service.

H. **CPC Liaison** (Kim) - Alcoholic, Kimberly, your CPC liaison. Since our last district meeting, I've had an opportunity to attend two CPC meetings. I was able to attend Unity Workshop Jan. 17<sup>th</sup> at Keepin' It Real where CPC had a small table setup. The event was not only a success but powerful, especially when other districts work together and share the strong message of AA. I attended the LIMA Event. LIMA stands for Law Enforcement Intervention of Mental Health and Addiction. It was held in North Las Vegas on Feb. 6<sup>th</sup>. Open to all community members coming together for community resource sharing. There were well over 100 resources throughout our community I was aware of and got to meet. Our slot AA CPC

was early which was good, Out of our pamphlets and one most taken was **AA as Resource for Health Care Professionals – Young People in AA**. It turns out LIMA is twice a year and I'm eager to attend again. Coming up will be CPC PI(E) Day Event on **March 14, 2026**. Small flyer attached to report. Also, attached is **October 10, 2026**, Forum for Sober Communities 2026 OR Code. Thank you for allowing me to service, learn and grow.

I. **Accessibilities Liaison** (Ruthie B) - Our mission is simple: To ensure that when any alcoholic reaches out for help, the hand of AA is there. Our Southern Area 42 Accessibilities Committee is happy to announce our upcoming workshop.

Our Shared Journey

**The Voices of Recovery:** AA members Lynne B., Kenny T., Tay Tay, and April C. share how they navigate the fellowship with visual, neurological, and learning accessibility challenges.

**The Sponsor's Heart:** Hear guest sponsors Marita R. and Greg M. share how they open doors to Recovery, Unity, and Service while making the message accessible to every alcoholic.

**Interactive Q & A:** A space to share solutions and learn from one another.

Where & When - Please share widely

J. **Intergroup Liaison** (Tina Y) - The Central Office says hotline positions are available, please contact Eileen for days and times. There were approximately 230 calls for February with 9 of them being 12 step calls. The Sale items this month are: Grapevine greeting card sets of 4 for \$7 and AA in prison for \$2.00. The board of directors says individual contributions were higher than expected, but group contributions were lower than expected. However, monthly expenditures are on track with everyone sticking to their budgets. It is urged that all the fellowship visit the Central Office for your literature purchases, as the Central office has the best prices in town. And a reminder to submit contributions using the Zelle account [lvaa@lvcentraloffice.org](mailto:lvaa@lvcentraloffice.org). 12 step list has 63 people on the list and are doing well. The board of directors' chair says that a proposal was made that an additional finance committee be formed to keep an eye on all finances. After much discussion, the proposal was not approved. Due to #1, all financial and tax information is open and available to any member who wants to review it at central office, with the financial information being distributed every month during intergroup, and #2. The board of directors is operating in accordance with the bylaws which are also available to any member, and it was suggested that if anyone would like a copy of the bylaws, they should contact the Central Office to request a copy. It can be mailed or emailed to any member who requests a copy. They also received two continuations from an intergroup rep, Sara W. stating that she feels that the 501c3 state laws are not being followed by the board, and has indicated that she intends

to use her influence with the district attorney's office, Secretary of state, and other state offices and is prepared to initiate civil litigation against all of board members who served for the last 5 to 6 terms. And that she will use her influence within the SoS, Nevada Controller's Office and Treasury office to revoke the charter and nonprofit status. The Board had a lengthy discussion on these allegations. It has been determined that this IGR has threatened legal action. The Board has made the decision to be proactive, rather than reactive. and has allocated sufficient funding to retain an attorney for these matters. Founders' day has a new chair, Julie H. The Founder's Day lunch and history presentation will be Sunday, June 14<sup>th</sup> from 12-3 pm at Central Office. All of our contributions will go to the Central office. With a potluck and will provide a side dish. There will be amazing raffle baskets. The flyer will be out very soon. And are looking for raffle basket items. The date for the Gratitude ball will be September 19<sup>th</sup> at the new Westgate hotel. Although they have a few committee positions available, they had a great turnout for their business meeting and are looking for volunteers. Public information is generally in good shape; the literature subcommittee has 56 facilities engaged with brochure holders and is growing. And will be starting their social media promotion shortly. Volunteer positions are available. Silver Streak states that all budgetary and financial reports are listed each month in the current issue. The AA's with 15 years + of sobriety have their own column each month and are looking for more stories from Oldtimers. The submission deadline is the 2<sup>nd</sup> Friday of ea. Month and can be sent to [SLVRSTRKLV@gmail.com](mailto:SLVRSTRKLV@gmail.com). New business, In the Guidelines, on page 11, Section 23 d) reads as follows: "The acceptance of bequests from any source or donations from any outside source is prohibited." The reality of the issue is that we are allowed and have been accepting bequests from AA members for quite some time, a maximum of \$10,000, a limit that has been set by GSO in NY. The Board proposes a simple fix with the addition of the word "outside" for the amended passage to read: "The acceptance of bequests from any outside source or donations from any outside source is prohibited." Thanks for letting me be of service.
