III. **Treasurer's Report** (Danielle T) - Morning all, my name is Danielle, I'm an alcoholic and I'm your treasurer. On March 1st we started out with a balance of \$6,161.15. We received contributions totaling \$910.45. We spent some money in March. We paid for the DCM to go to PRASSA, Zoom, rent for the workshop that is at the end of this month, and a check was returned to us, for a total of \$1,782.45, leaving us with a balance of \$5,289.15 at the end of the month in the checking account. We currently have \$291.00 in cash on hand. I'll be making a deposit of some of that this month. On March 31st the savings account balance was \$2,000.29. Just a reminder, checks and money orders should be made out to District 1. Please, please, remind your groups to include an email address when they send in their contributions, this way we save on stamps and envelopes. Also, if you can announce to your groups to add the group name when using Zelle to send contributions. If they are making individual contributions, please ask them to notate that. I'm happy to answer any questions you might have. Thank you for letting me be of service.

IV. **DCM Report** (DaNella K) - Hello District 1, Last weekend was really exciting as the Area Assembly was held in Tonopah. I'd like to start by thanking everyone who volunteered their time to ensure District 1 fulfilled our obligations. I am truly grateful for each and every one of you. The unity within our district is a strong example of our principles in action. At the Assembly, we celebrated over 2,197 years of sobriety, and there were between 20 and 30 new GSRs in attendance. That was something truly beautiful to witness and experience. Thank you all for your service and your dedication to helping the next suffering alcoholic. It truly matters that you show up and remain available—so thank you. If we have any new GSRs here today, please be sure to complete a Group Change Form. You can obtain one from Lou, our Area 42 Alternate Registrar. Please know that I am always available to assist with any questions, concerns, or suggestions. I hope you all have an amazing day.

V. **ADCM Report** (Matt K) - I'm Matthew, and I'm grateful to serve as the Alt DCM for District 1. This past month I was able to attend the Fireside Men's Lunch Meeting, and I really appreciated the fellowship there. I also recently moved, so I'm looking forward to attending the Anthem Sunrise meeting at New Song Church since it's right down the street from me now. I'm just grateful to stay connected, be of service where I can, and support the district however needed. It's always good for me to be reminded that service helps keep us connected and focused on what really matters — carrying the message to the alcoholic who still suffers. Thank you all for your service.

A bit of AA history — The Twelve Traditions were first presented to the Fellowship by Bill W. in an April 1946 article entitled "Twelve Suggested Points for A.A. Tradition." The A.A. Preamble was written by one of Grapevine's first editors, based on the Foreword to the book Alcoholics Anonymous, and was published in the June 1947 Grapevine. Thank you for letting me be of service.

F. **Hotline Liaison** (Deanna) – No report

G. **PI** (Carol H) - Good morning everyone, my name is Carol and I am an alcoholic. Anne, D17 out of Ely, has been phenomenal in her productivity for the PI Committee. She's reached out to the staff at the Tonopah Times and Pahrump Valley Times and they said they will start running classified ads in both the print and online editions with the 24 hotline and LV Central Office website information. She also had an opportunity during the assembly on Sunday (4/12/26) to meet with the Tonopah City Manager and she will be bringing him some Big Books, information on what AA is and what AA is not, along with a local Tonopah meeting schedule, as well as information about how to find AA in any community. Three city managers are also part of the effort to bring a health clinic to Tonopah so he is in the process of hiring clinicians for a soon to be opened health clinic in Tonopah. I believe that it is linked with the same health clinic that is in Sandy Valley as well as Pahrump, so there'll be a huge triangle of information getting out there. I've already supplied our pamphlets to the Sandy Valley office. In addition, out in White Pine and Lincoln Counties, they continue to see our classified ads in every published paper and on the digital editions of their papers. The radio station in Eastern Nevada also runs a PSA. On a more local note, we've been recruiting for roles that have not been filled yet, notably in the media subcommittee, although recently we've had some success in that area. One being a resource that has extensive media experience becoming involved in connecting to the media. We also have a friend of AA with extensive media connections that has begun press release distributions. And two, a new social media chair that is taking on the management of our Instagram and Facebook

accounts. But there is always a need for more volunteers. The more help, the better, right? So if you're interested in volunteering as part of a PI subcommittee, you do not have to attend the monthly meeting. If that's what's holding you back. Our monthly meetings are: 4th Wednesday/month Zoom Only, from 5:00pm to 6:00pm. Zoom ID #829 4421 7170 passcode: public. Or you can contact John L. or me. Thank you for letting me be of service.

H. **CPC Liaison** (Kim) - Alcoholic, Kimberly, your CPC liaison. The CPC meeting was held on Monday, April 13, 2026 at 4:30pm via Zoom. There were four in attendance, including myself. This week the Nevada Nurses Association is happening. They will have a booth April 23-25 If you would like to volunteer, contact Caroline immediately please. The PAI, Item E, for CPC was discussed in Tonopah where our Delegate Lyle took a sense of the body and the vote passed at 98% and moved forward. CPC will be having a digital forum October 10th, attached is the QR code. There will be four speakers. Chris has been speaking with Corina, she is the CPC Desk person at GSO. Corina described GSO as a repository of experience, strength and hope and they like to gather information about groups, Districts and Areas to understand what we are doing. As to the speakers, they are Kelly P, and Kerry M, they are two class A Trustees. Corina has agreed to speak as well. If you are interested in the work the two trustees have done and are doing, please see me after our meeting today and I'd be happy to pass it along. Finally, the LIMA event will be in August, more information to come. Thank you for allowing me to service, le

I. **Accessibilities Liaison** (Ruthie B) - When I put my hand up to act as a liaison for this committee, I admit there was a deeply personal reason for this. I had a paraplegic cousin who worked on the committee to pass the ADA Act. The Americans with Disabilities Act (ADA) was signed into law on July 26, 1990, to act as a comprehensive civil rights law prohibiting discrimination against individuals with disabilities. It was created to ensure equal opportunity, full participation, independent living, and economic self-sufficiency for people with disabilities, leveling the playing field in employment, transportation, public accommodations, and state/local government services. This means making sure the hand of A.A. is actually reachable for every alcoholic, regardless of vision, hearing, mobility, neurodivergence, learning differences, or life circumstances. We understand that there are many who may not realize how welcome they would be in bringing their questions and challenging situations to our committee. We are here to listen and to work together on addressing the important issue of "who's missing in the rooms of Alcoholics Anonymous and why?" Your insights and experiences are indispensable in helping us create a welcoming and supportive environment for everyone. That spirit is at the heart of an upcoming **hybrid workshop** our committee is hosting called *Our Shared Journey: Voices on Unity and Recovery*. This workshop is designed to help us slow down and truly listen. We'll hear directly from sober alcoholics who navigate our Fellowship with visual impairments, dyslexia, and neurodivergence. They'll share what it's really like to walk into a meeting, read our literature, follow a speaker, or take on service commitments when the world—and sometimes our rooms—aren't built with them in mind. We'll also hear from guest sponsors who will talk about walking the Three Legacies with sponsee's who face access barriers— Marita R. and Greg M. The workshop will be held **Sunday, June 28th, from 1:00 to 3:00 PM Pacific Time**, both in person at the Las Vegas Central Office and online via Zoom, so people can participate in the way that works best for them. Everyone is

welcome—especially anyone who has questions, lived experience, or a curiosity about who might be missing from our rooms and why.

Because when we remove even one barrier—physical, digital, informational, or emotional—we don’t just help someone get to a meeting. We help them get to recovery.
