I. Serenity Prayer – GSR Preamble

II. Minutes (April S.) – Motion to accept by Crystal Rose, Danielle seconded, unanimous

III. **Treasurer's Report** (Danielle) - Morning all, my name is Danielle, I'm an alcoholic and I'm your treasurer. We began September with a checking account balance of $6,707.50 and received $322.73 in contributions. Expenses totaled $1,254.27: $220.00 in fall assembly reimbursements for two GSRs, $203.71 for assembly lunch, $346.75 reimbursed to the DCM for the assembly, and a $483.81 partial reimbursement for the District 1 picnic. The checking account balance at month-end was $5,775.96. We also had $97.00 in cash on hand, and the savings account balance was $2,000.38 as of September 30. We received a contribution of $85.00 from a group possibly called WOW. There was no return address and the writing was hard to read. Is anyone familiar with this group? Please remind your groups to make checks payable to District 1—not District 1 Treasurer—and to include an email address with contributions so we can save on postage and envelopes. For Zelle contributions, please include the group name or indicate if the contribution is from an individual. I'm happy to answer any questions. Thank you for letting me be of service.

IV. **DCM Report** (DaNella K) - My name is DaNella, and I am an alcoholic. I would like to extend a warm welcome to any new GSRs. Please make sure you speak with Lou our Alternate Area Registrar and complete the Group Change Form. Please also speak with our Secretary to make sure you are added to the email distribution list. For those who were not in attendance at the area assembly-I am proud to inform you that Lou was elected as the Area alternate chair. Last Saturday we had our annual picnic and celebrated over 700 years of sobriety in attendance. Thank you to everyone who volunteered to make this event successful and for joining us for the festivities. Registration is now open for the Pacific Regional Regional Forum in San Diego this year, which will be held December 4-6th. Registration is free and the website has discount codes for lodging. The District 1 workshop is coming up next month and the Service festival is next Saturday night 7-9pm at Central Office. Our District elections will be held in December and we encourage everyone to consider standing for a position and continuing to be of service at the district level. Kat has prepared a feedback survey on service positions-please take the time to respond. We love hearing from you. Thank you all for being here, for your service, and for continuing to carry the message.

V. **ADCM Report** (Matt K) - Good morning, everyone. This past month, I had the opportunity to attend the Gratitude Ball. It was a great event with an inspiring speaker and wonderful fellowship. It was nice to see so many members come together to celebrate recovery and the spirit of A.A. Other than that, I have nothing new to report. I continue to remain available to assist our DCM and support District 1 however needed. Thank you for allowing me to be of service.

VII. Committee Reports -

A. **Picnic** (Carol H) – Good morning, my name is Carol and I'm your alcoholic picnic chairperson. I'm pleased to report that the picnic held on Saturday, October 10th in Boulder City was a great success. I want to thank everyone who helped make the picnic possible, including: Mike, for getting the Big Book signed, bringing the books from Central Office, and leading the fantastic sobriety countdown that he's becoming famous for. DaNella, who always knows what needs to be done and makes last minute store runs for forgotten items. BOb V., our great musical entertainer. Craig, who knows how to grill "budget-friendly" burgers and hot dogs that taste high-end, as long as you eat them

hot. Randy, for keeping the coffee going, Nick, an eager newcomer who jumped in to set up and break down all the games and helped with everything in between. Gary, my new friend, for cutting up the tomatoes in his own style. I also appreciate everyone who came early to set up tables and chairs or helped out in any way. The amount of help I received was incredible. I thought I had maintained a calm, cool, and collected presence this year, especially compared with last year, but apparently my face didn't get the memo. I suggest it belied my inner delight. I especially want to thank Lou for being our speaker. He brought his whole family, and the experience, strength, and hope he shared were heartfelt and touching. I may even have dabbed away a tear or two when he spoke about his love and gratitude for his family. Especially during the father-and-daughter part, which, as you know, isn't like me at all. Together, attendees represented 785 total years of sobriety. The newest member had 10 days of sobriety. There were more than 100 people, we stayed within budget ($772.74/$820.00), I have an inventory list with the exact totals and will send it to the treasurer, Danielle. One last thought for next year: this picnic chair could use a co-chair. Between the dry goods, perishables, trips to different stores, gathering supp;ies, and keeping track of all the little details, it's a lot for one person. I know you end up getting a lot of help the day of but having a committed co-chair up front would make the pre-planning process easier and even more fun. Thanks again to everyone who pitched in and made the day such a success!

B. **Workshops** (Mike S) - District 1 will be hosting a workshop entitled "Conscious Contact". Thanks to Heather L from Archives and Ruthie B from Grapevine, who will participate in the presentation. The documentary film, "Bill W.: Conscious Contact" will be shown. This documentary explores Bill's quest for a spiritual life. Heather will offer a brief history of the Stepping Stones Foundation. Ruthie will share some Grapevine submissions on Step 11. Food and beverages will be provided. The presentation will be from 1 pm to 3 pm on Sunday, November 15, 2026. The workshop will be held at the Central Office meeting room and the doors will open at 12:30 pm. Grapevine literature will be available for purchase. Area committees will staff tables with free literature and information. Thanks to Lou for the beautiful flyer. Please take as many as you need. Advance thanks for posting them at your clubs and meetings, along with making announcements.

C. **Archives Liaison** (Vacant) –

D. **H & I Liaison** (John B.) - no report

E. **Grapevine/La Vina Liaison** (April S) - Please continue to promote the Grapevine app.

F. **Hotline Liaison** (Deanna) – no report

G. **PI** (Carol H) - Carol, alcoholic and Public Information Liaison. The committee discussed upcoming leadership elections and the need for volunteers to distribute literature, support media campaigns, and assist with outreach. A radio campaign is planned for late October. Connie, our new Media Chair, will work with JOhn to relaunch Facebook and Instagram campaigns using the social media budget. John plans to step down as chair at the end of the year, making recruitment for leadership roles a priority. The committee also plans to expand brochure distribution and reach out to high school counselors with materials in English and Spanish. The next PI meeting is October 28, 2026 time 5-6pm Zoom only - Meeting ID 7706309956; passcode: public. If you are interested in volunteering or starting a PI committee in your homegroup, please contact John L. or me. Spreading the word about how to contact AA is vital to our primary purpose: reaching newcomers and alcoholics who are still suffering. Thank you for allowing me to be of service.

H. **CPC Liaison** (Kimberly) - Alcoholic called Kimberly. I attended the CPC meeting Monday, October 12th. Including myself, there were four people present. The digital forum is coming up. The meeting was about 30 minutes.

I. **Accessibilities Liaison** (Ruthie B) - My name is Ruthie, I'm an alcoholic, and I serve as Liaison for Accessibilities District 1 Committee. Accessibilities are about noticing the barriers that may keep an alcoholic from fully participating in A.A.—including some barriers we may not immediately see—and asking how we can help open the door a little wider. I'm very happy to report that District 9 has taken a group conscience and voted to collaborate with the Accessibilities Committee on our December 13 hybrid workshop, **"Whose Room Is It Anyway? — The Mission of the Home Group."** We're grateful to have them working with us and look forward to their participation as planning continues. The workshop will look at the home group through four areas: **Accessibility, Safety, Digital Inclusion, and Self-Support**—not to tell groups what to do, but to invite conversation about how our home groups carry the message and make participation possible. **Spanish interpretation will also be available.** The workshop will be held on **Sunday, December 13, from noon to 2:00 p.m. at the Las Vegas Central Office and on Zoom.** Updated English and Spanish flyers are attached. Please help us spread the word. The Accessibilities Committee will also participate in the Service Festival on October 24, where we'll have resources available and an opportunity to share more about what Accessibilities service is and how members can become involved. Finally, as we approach rotation, our committee has begun developing a Framework for Continuity and Rotation—not a rulebook for the next committee, but a way of leaving behind useful experience, resources, relationships and lessons learned so that those who follow us don't have to start from scratch. Our committee meets virtually on the fourth Monday of each month at 7:00 p.m. Anyone interested in Accessibilities service is welcome to join us. Our next meeting will be held on October 26th: **Join Zoom Meeting** https://us06web.zoom.us/j/83306432783?pwd=YkpDZTB1M3Fubm9DWTRvNnB3em5ldz09 Meeting ID: 833 0643 2783 Passcode: handofaa

J. **Intergroup Liaison** (Tina Y) - The Central Office had approximately 253 calls total in September. Most for Meetings and or literature information, and four 12 step calls. AA comes of age is on sale for $5. The board of directors Treasurer is still waiting on the final numbers for the Gratitude ball to determine the total fundraising contributions. For group contributions, they are hovering around 81% of what they are usually at. The 12 step list is looking for people to sign up. Accessibility and meetings to go is having a workshop "whose room is it anyway" on Sunday, December 13th from noon to 2pm at the Central Office and on Zoom. The Archives Committee is excited to participate in the upcoming Service Festival on Saturday, October 24 at 7pm at Central Office.
